

# RED VS ORANGE TIER

Sacramento County entered the **orange tier** June 1, 2021.

## What are some of the major changes?

- Many places can allow more people, for example, restaurants can have 50% capacity indoors compared to 25%.
- Events are opening back up (indoor and outdoor) with capacity limits. If all attendees show a negative COVID-19 test or their vaccination card, more people can attend.
- Bars, where no meals are served, can open outdoors.
- Indoor swimming pools can open.
- Remote work is still encouraged.
- Many more youth sports and adult recreational sports are now open, including basketball, football, ice hockey, lacrosse, rowing/crew, rugby, soccer, water polo, badminton, bowling, gymnastics, dance- no contact, swimming and diving, tennis – singles, track and field, pickleball singles, individual ice skating.
- Cardrooms, satellite wagering can open indoors.

## What can I do if I am fully vaccinated?

- Spend time with fully vaccinated people, including indoors, without wearing masks or physical distancing.
- Spend time with unvaccinated people from a single household who are at low risk for severe COVID-19 disease indoors without wearing masks or physical distancing.
- Refrain from wearing face coverings outdoors except when attending crowded outdoor events, such as live performances.
- Refrain from quarantine and testing following a known exposure if asymptomatic.
- Fully vaccinated do not need to quarantine with known exposure if asymptomatic.
- Emergency Temporary Standards must ensure employees are following current ETS face covering and testing requirements.
- Maintain physical and social distancing, and wear a mask when visiting unvaccinated people who are at high risk for COVID-19 severe disease.
