Sacramento County Public Health COVID-19 Vaccination Clinic Partnerships

The Sacramento County Department of Public Health is hosting a *community-based COVID-19 vaccination clinic* on Saturday, February 6 in Sacramento. As partners with the County, Dignity Health, UC Davis Health, alongside other health practitioners and volunteers, are coming together to facilitate the clinic.

This clinic is **open to anyone 65 years or older, regardless of insurance, ability to pay or legal status**. The age requirements are in accordance with the County's phased eligibility tiers. There are enough vaccines to inoculate 1,000 people. The goal of the clinic is to reach Sacramento's most vulnerable populations to ensure they receive timely access to the COVID-19 vaccine.

Clinic details, how to register and what to bring:

- Individuals **MUST** **register online** to reserve an appointment - there will be NO WALK-UP appointments
- 1,000 doses will be provided at this clinic and registration is on a first-come-first-served basis
- Those who receive vaccinations will be registered for their second follow-up dose at the time they are vaccinated
- Each person registered MUST bring some form of identification to verify their age AND a copy of their emailed appointment confirmation
- On-site parking is available (this is not a drive-through clinic)
- Masks are required
- Participants should arrive 10 minutes prior to their appointment time to check in and allow for 15 minutes following the vaccination to be observed for any potential adverse reactions
- Please only the individual getting vaccinated plus one other person attend

When: Saturday, February 6, 9am – 5pm
Where: Cristo Rey High School – Multi Purpose Room, 8475 Jackson Rd, Sacramento
