

Building COVID-19 Vaccine Confidence Helping People Make Informed Choices

Vaccine Ambassador Training

Become a Vaccine Ambassador! Together we can empower ourselves, our families, and our communities! This training will educate you to become a trusted source to inform Sacramento communities about COVID-19 vaccines.

Speakers:

Phu D. Tran, MPH, MSN, RN, PHN - Sacramento County Public Health

Nicole Makram, MD - Kaiser Permanente

Zoey Goore, MD, MPH, FAAP - Kaiser Permanente

WHAT YOU WILL LEARN

- 1 Understanding of COVID-19 disease and COVID-19 vaccines
- 2 The knowledge and skills to provide key COVID-19 vaccination information to community members for informed decision-making and action steps
- 3 How to have conversations that matter about COVID-19 vaccines and tailor to your community/ies
- 4 Your role as a community leader to provide information on COVID-19 vaccine rollout, vaccine confidence and why it matters
- 5 Next steps in supporting your community

Real time translation available: ASL, Spanish, Russian, Mandarin, Vietnamese, Hmong, Arabic, Tagalog
