Board of Supervisors

RICH DESMOND
Chair Of The Board
Supervisor, Third District

October 1, 2023

Dear County Employees:

On behalf of the Sacramento County Board of Supervisors, I am pleased to announce the commencement of the 2023 Sacramento County Employees' Giving Campaign. For many years, Sacramento County Employees have generously participated in the annual Giving Campaign, and the Board is looking forward to continuing this worthy tradition of helping others in our community.

Six federations of charitable organizations are represented in this year's campaign. As in years past, employees have the option to choose a federation or to designate a non-profit organization of their choice. Employees may participate in the campaign by making an ongoing contribution through payroll deductions or a one-time contribution to the charitable organization of their choice.

Each and every contribution will help improve the quality of life in our community as well as in others throughout the nation and the world.

My heartfelt thanks to each of you for your generosity and willingness to participate in the 2023 Sacramento County Employee Giving Campaign.

Sincerely,

Rich Desmond
Board of Supervisors
