FAQ

WHY GIVE THROUGH YOUR CAMPAIGN?

This is the most efficient way to give. All donations are centrally processed and distributed directly to your charity of choice. Donors can give more because the donation spread over the year. Charities benefit because payroll deduction ensures a consistent and reliable stream of income throughout the year.

WHY DONATE THROUGH A FEDERATION?

Federations provide an important service to non-profit organizations. They screen charities for the highest public accountability and standards. By combining services under a federation umbrella, charities consolidate their marketing, fundraising and processing expenses, and reduce their cost.

WHY ARE THERE ADMINISTRATIVE FEES?

Federations, like all nonprofits, in order to function must cover basic operating expenses, which are kept to a minimum, so the majority of donations go to their charities programs. Federations are regulated and must register with the State Attorney General, file annual IRS Form 990, and receive annual independent audit. Federations and their member charities are approved by your employer for inclusion in your workplace giving campaign.

WHY GIVE THROUGH PAYROLL DEDUCTION?

Workplace campaigns are a very efficient form of non-profit fundraising. They are a proven cost-effective alternative to direct mail, telemarketing, annual fundraising drives and special event marketing.

The Foundation's initial charge sought to construct a permanent memorial site and host an annual ceremony which honors the grave sacrifice these law enforcement officers made in defense of the citizens of our community. In 2002, the Foundation completed construction and dedicated the site that now exists within Woodlake Park at 500 Arden Way. Since then, the Foundation hosts an annual remembrance ceremony during the month of May, adding a memorial bollard when a Sacramento law enforcement officer is killed in the line of duty. The initial construction of the Memorial came from the benevolence of private donations, many of which are City employees. With the Memorial now built, the Foundation continues to provide upkeep and maintenance for this site, as well as ensure that the brave men and women enrolled at this memorial site are never forgotten.
